AUDITION GUIDANCE NOTES

PREPARATION

Please arrive at least 15 minutes before your scheduled audition time to allow yourself time to prepare, and to allow for a prompt start for your audition.

Please make sure you have your signed audition consent form to give to the audition panel - these have been emailed to you for you to print at home, although we will have a limited number available at the auditions if necessary.

PERFORMANCE

For your audition you will have a 10 minute window, which includes setup and packdown time, so we advise you to choose your best song/performance for us which is a maximum of 5 minutes in duration.

There will be a basic setup provided (microphone / amp /speaker for backing tracks, single music stand etc), so please take into consideration your own setup and only bring with you what is essential for your performance. It is generally expected that you would provide your own instrument(s) and device(s) for any backing accompaniment, however an electric piano will be provided for those that require one - if you have any requests regarding help with equipment (either in setup or provision), please get in touch before the day of your audition.

Your audition is a chance to show us who you are and what you do. This does not mean trying to show us the most complicated piece in the world, or trying to show us every little trick that you can do in 5 minutes! Think about a song / performance that demonstrates your most authentic self, and one that you really love performing, as this will showcase you in the best way possible.

Also take into consideration that should you be successful, you will be performing on the streets of St Peter Port, tasked with the job of entertaining the public. So, think about how your presence and performance would translate in this capacity - it's very different to performing on a stage or in a pub/cafe.

AFTERWARDS

After the auditions we will take some time to take all the performances into consideration, and will be in contact with you as to whether you have been successful and will be asked to participate in The Guernsey Street Festival

There are many reasons we may not be able to offer you a performance slot this time, **but none of them are a reflection on your talent!** Should you not be successful we encourage you to continue performing, develop your craft and audition for us the following year. If you wish to receive any constructive feedback regarding your audition or how to develop your street performing craft for the future, please email us at partcipate@guernseystreetfestival.com - we are happy to help!

We are looking forward to working with you!
